

INTERNATIONAL FOCUS

BFF uses finances, resources, and energies to train Christian [leaders around the world](#). God has opened many partnerships with pastors, church planters, and evangelists through the BFF websites. Paul trains leaders at the frontiers of God's kingdom. More recently, Paul offers seminars at the Christian Leadership Renewal Center ([CLRC](#)), for personal and group renewal and training.

God's leaders are zealous in their labors but remain seriously undertrained and lack Christian training materials. Paul's burden is to equip them and their many small training schools with books and digital resources. BFF invests its resources to create video and book libraries in Burmese, Amharic (Ethiopia), Swahili (Kenya), Hindi and Bengali (India), Luganda (Uganda), Chinese, etc., to equip these leaders better.

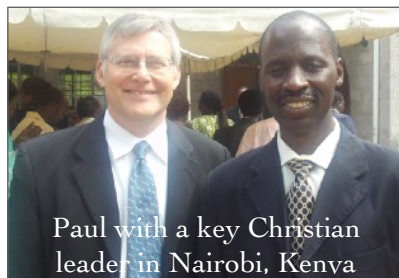

BFF welcomes financial, prayer and other support to accelerate our work of strengthening the church worldwide to complete the task of reaching the nations.

A BRIEF HISTORY

Early one November morning in 2000, Paul desperately cried out to the Lord for [direction](#), provision, and help. The Lord miraculously answered, providing faith and vision to establish two websites now reaching the world with relevant Biblical and Christian training resources, including 25+ books and many seminars. In 2020 our websites had over 5 ½ million page views from all over the globe. See our [20-year celebration](#) video!

Paul's biblical training, church planting experience in Taiwan(1980's), and pastoral ministry(1990's) have equipped him for this unique ministry. Paul and Linda have been happily married for 42+ years, have a [large family](#): eight children and seven grandchildren. This has provided many new situations to learn from and apply the powerful truths of God's Word. They now host training at Christian Leadership Renewal Center ([CLRC](#)).

BFF DIGITAL LIBRARIES

Our ability to equip God's people worldwide relies primarily on our [many resources](#) of innovative, biblical, graphically-enriched Christian training materials. Paul gets at the root of spiritual growth by explaining how Christians grow. Thousands of pages of biblical resources answer the questions God's people ask when facing temptation, crises, or dullness of heart: Why should I continue on? Is there hope for my marriage? How can the Bible help me stay pure?

We enable God's people to walk in the full spiritual freedom that comes through believing in the Gospel of Christ. Our focus, then, is to renew faith through the work of the Holy Spirit.

WE BELIEVE

We believe in the inerrancy of the OT, NT Scriptures and that our lives were designed to best function by living godly lives according to His Truth. We believe in God's existence and our call to be shaped by His presence and purpose for our lives. We believe that sin has saturated every part of our lives, but through faith in Jesus Christ, His work on the cross, and His resurrection, can wonderfully restore our relationship with God. We believe God's love in Christ empowers us to love others with His love, dedicating ourselves to God by making disciples of Christ until Jesus' glorious return.

Training For You!

LEARNING AT ITS BEST!

Jesus commanded His followers to be disciple-makers (Matthew 28:18-20) to battle the evil one's desperate attack on God's truth. God wants every believer to be fully equipped to live Christ-filled lives, ready to train others (Ephesians 4:12-13).

BFF specializes in implanting God's life-empowering truth, equipping you to be God's worker, able to help others. BFF resources include [more than 25 books](#), all thoroughly Biblical, refreshing, and practical.

RELEVANT - AVAILABLE - TRANSFORMING

Biblical Foundations for Freedom believes, teaches, and trains others to release the power of the Gospel of Jesus Christ to impact their lives fully. BFF crosses denominations, cultures, and world views to draw people closer to God and what He has planned for their lives.

Are your doubts holding you back from growth in life, love, and holiness? BFF is not just about having proper theology but also about strengthening faith through rightfully applying God's Word to our lives, drawing us into God's presence, and empowering us to live a revitalized life in this world.

CHRISTIAN LEADERSHIP TRAINING

CHRISTIAN LEADERSHIP TRAINING HAS BECOME TOO ACADEMIC. THE MIND IS TRAINED BUT NOT THE SOUL, HEART, AND SPIRIT. BFF SPECIALIZES IN TRAINING THE INNER LIFE ALONG WITH CRUCIAL LIFE AND MINISTRY SKILLS, EACH BEING INCORPORATED INTO OUR NUMEROUS SEMINARS.
