

BFF'S First Online Course

Pray BFF #340

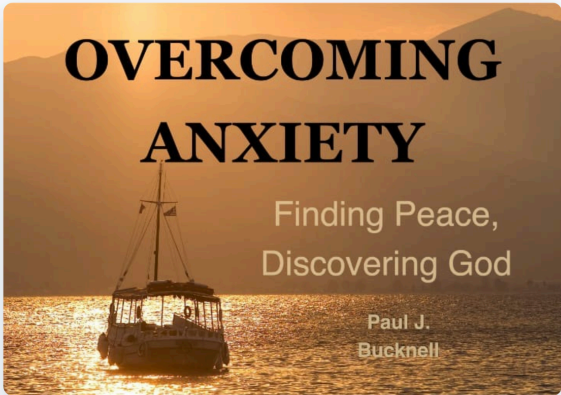

March 20, 2020

Dear Prayer Partners,

My March, April, and May conferences have all been postponed or cancelled! That's bad and good. Bad, because I have no short term missions trips to take in the near future.

Good, because this extra crisis time has become a wonderful opportunity. The extra time has given me a focused mind to forge ahead in the development of the very first BFF online course.

I teach seminars and have many resources but not in webinar format. So with lots of prayer and some help here and there, the first course starts tomorrow—March 21st. You can sign up for free now! Please be praying for those who attend around the world! Already a good number have signed up.

The course cover features a sunset over the ocean with a sailboat. The title "OVERCOMING ANXIETY" is in large, bold, black letters. Below it, the subtitle "Finding Peace, Discovering God" is in a smaller, white, serif font. The author's name "Paul J. Bucknell" is at the bottom right in a small, white, sans-serif font.

Praise

- God used the extra free time to move ahead on this long lost project - 8 years(?) in the making
- I thank the Lord and those that helped me get this new course format worked out (I hope!).
- Our church closed its physical doors but unites via the internet. Many in different lands face the same closures.

Pray

- Pray for me as the course opens tomorrow. There is a chat room—all to be tested.
- Do pray that many will benefit from this course: courses.bffbible.org
- I hope this offer to the world will not overwhelm our resources.
- I will be developing at least three videos a week for the course.
- Donations have been very low since the beginning of the year. Please pray.
- Our world economies have entered a time of chaos. May it lead to a peaceful and kind transition.

In the Lord's Majestic Service,

Paul
